Welcome to our home, a place where every detail is designed with you in mind.

OUR STORY

Van der Valk is a **family-owned** company, founded in 1929 by **Martinus Van der Valk**. What began as a café in a farmhouse has flourished thanks to hard work and the passing down of entrepreneurial spirit to his 12 children. Today, the 4th generation manages over **100 hotels in Europe and the Caribbean**.

Values

Family members have always worked **together**, often from a very young age, in a warm yet competitive environment. **Family meals - friendly and festive** - reflect this unity. The company values hard work while fostering a **welcoming atmosphere** for both staff and guests.

Symbol

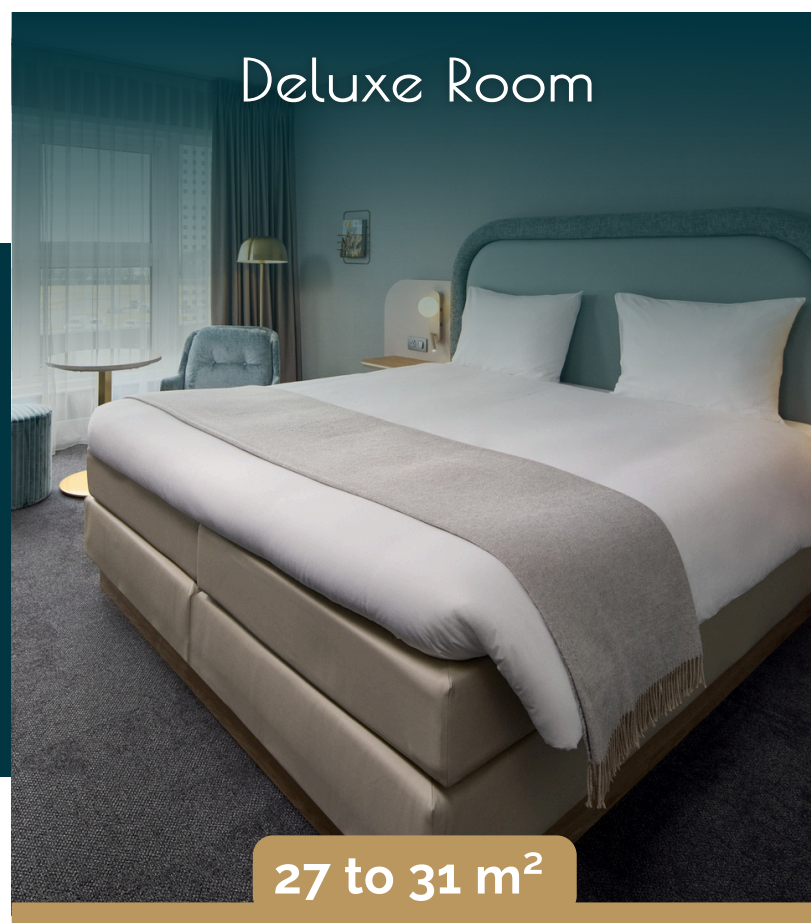

In the 1950s, **Martinus Van der Valk** acquired the Avifauna Zoo, home to, among other species, **toucans**. This brightly coloured tropical bird - symbolising **travel, friendliness** and a **sense of escape** - naturally became the emblem of Van der Valk hotels, reflecting their **warm and welcoming spirit**.
